

APRIL 16 2011

**THANKYOU KEITH ANDERSEN FOR INTRODUCING ME TO FUEL STICK.
BEFORE MY TRIP FROM CHILLIWACK TO CABO SAN LUCAS AT THE SOUTHER TIP
OF THE MEXICAN BAJA, MY DASH COMPUTOR IN MY 2004 SEA BREEZE 32' CLASS A
GAS MOTOR HOME TOLD ME I WAS GETTING 9 MILES PER GALLON. AFTER USING
FUEL STICK, I WAS GETTING 10 – 11.5 MILES PER GALLON AND COULD FEEL THE
EXTRA POWER. I NOW USE FUEL STICK IN MY TOWED VEHICLE AS WELL. I AM
SOLD ON FUEL STICK. THANKYOU**
