Date :

9/6/08

To,
Khushbu Petro-Chem R & D Centre,
F/1, Celler, Rushabdev,
Narayannagar Road,
Paldi, Ahmedabad.

Sir,

Sub: Performance of FUEL STICK

We have used FUEL STICK in Furnace Oil fuel as recommended. We found that the exhaust temperature was decreased to 22°C, Burning was excellent. No Soot formation. Our burner choking problem was also solved.

In the meantime thanking you for recommending such an excellent product.

Regards

Mahesh Modi
(Director)
